“Our mission is to build an innovation zone that facilitates an empowering ecosystem for promising entrepreneurs.

Such a gathering will have particular importance to empower innovations and to flourish the importance of entrepreneurship in the country.”

**Nasbeer Ahmed**  
S2C 2014 Chairman,  
Chief Executive Officer,  
Expibotz Technologies Pvt Ltd

In the wake of 21st century's digital age, we are all made to realize by the inventive trends in technology that we can make the landscape for the humanity bigger and better.

Technological break-through requires financial nudge and Finance requires a holistic passage to reach the right audience to attain a perfection of money-no-evil philosophy. A direction of this sort touches upon the principle of “tools to those who can use them best”.

We have derived our mission from aforementioned rules to deliver an unique experience to the startup society of Kerala.

We are proud to present

“STARTUP SHOWCASE CONCLAVE 2014”

a guild conference that brings together the minds that are keen to **i**NNOVATE, **i**NVEST and **i**GNITE the next business trend of the world.
